

# GLOBAL MEETING ON NANOTECHNOLOGY

AUG 19-20, 2020

BOSTON, MASSACHUSETTS, USA

## **Theme: Dealing with Recent Findings in the Nano Global Research**

**MEC** invites all the experts and researchers from the Nanotechnology sector all over the world to attend “Global Meeting on Nanotechnology” (Nanotechnology 2020) which is going to be held on **Aug 19-20, 2020 in Boston, Massachusetts, USA**. Nanotechnology 2020 conference includes Keynote presentations, Oral talks, Poster Presentations, Workshops, and Exhibitors.

We anticipate the participants across the globe with Oral presentations, Keynote presentations, Workshops, Symposia, Young researcher’s forum. This is going to be wonderful opportunities for the delegates from different universities and institutes to connect with the world class scientists

We are glad to welcome you all to join and register for the “Global Meeting on Nanotechnology” which is going to be held during Aug 19-20, 2020 in Boston, Massachusetts, USA.

## **Conference Venue:**

Boston is the capital of Massachusetts and the most populous city in the United States. The city is also known as Greater Boston because of its economic and cultural substantially larger metropolitan area. Nearly 8+ million people reside in Boston making it one of the most populous cities. It is also famous for baked beans, Fenway Park, The Boston Marathon, and for bar from Cheers, but if you go deeper below the surface and you'll find some surprising wealth of things that makes Boston one of the best cities in the world.

Upon gaining U.S. independence from Great Britain, it continued to be a crucial port and manufacturing hub also as center for education and culture. Boston has expanded beyond the first peninsula through land reclamation and municipal annexation. Its rich history attracts many tourists, with Faneuil Hall alone drawing quite 20 million visitors per annum. Boston is a city that gives visitors opportunities to explore many things and relive history. It is a city deeply committed to supporting the arts. With world-renowned institutions like the Boston Museum of Fine Arts, The Boston Symphony Orchestra, Berklee School of Music, and Huntington Theatre Company all calling Boston their home.
