

Global Meeting on **Nursing & Midwifery**

Mar 09-10, 2022
Dubai, UAE

WELCOME MESSAGE

As a member of this conference, I take great pride in welcoming all the attendees to Nursing Conference which is going to be held on March 09-10, 2022 at Dubai, UAE , all of you health care professionals, great scientists, academicians, and young researchers! As you know MEC is shaped exclusively for traverse the scientific community and we intend to become the World's largest Scientific Meeting platform. We gathered here a multi-disciplinary group of scientists and health care professionals from all over the world to present and exchange breakthrough ideas! It promotes top-level research and to globalize the quality research in general, thus making discussions, presentations more internationally competitive and focusing attention on the recent outstanding achievements in the field of health care, and future trends and needs. MEC believes in integrating innovation with the latest research to remain the preeminent event organizer. This event is going to be all about you and your contribution to science! On behalf of the MEC, I welcome you and look forward to hearing everyone. Wish you all a successful conference.

Narjes Shiraghaei
Midwife

NURSING 2022

About Us:

MEC (Meetings Exhibitions Conferences) Global events is committed in organizing international standard events worldwide. Our objective is to create a perfect platform for the researchers, world class professionals and other participants to upgrade their knowledge, experience and to discuss on the ways to foster the exchange of ideas, prototypes and the research work

About Conference:

The Conference Nursing Conference 2022 will be held on March 09-10, 2022 at Dubai, UAE revolves around the theme " Advancements and Challenges in Nursing care and Midwifery". Nursing Congress 2022 gives a platform in different fields of nursing like Pediatric, Neurological psychiatric, cancer, cardiac, critical care, adult & women health, legal and emergency nursing, midwifery, public health, healthcare and medicine, research, and recently innovations associated with it.

Nursing Conference 2022 will be having eminent personalities from around the world with Plenary lectures and Keynote lectures added with research papers both oral and poster presentations. Nursing Conference 2022 will provide an opportunity for researchers, practitioners, and educators to exchange research evidence, practical experiences, and innovative ideas on issues related to nursing through networking and sharing.
